

One of the  
greatest  
public health  
achievements in  
the last 100 years  
is vaccination,  
which prevents  
death, sickness  
and disabilities.

Give them a healthy future

**IMMUNIZE**

*Every child by age 2*

Department of Health  
and Human Services

**NIIW**

*April 14-20*

**National Infant Immunization Week**
